DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The reply brief filed on 4/6/07 has not been considered because it is not in compliance with 37 CFR 41.41(a). The reply brief includes a non-admitted amendment, i.e., the non-admitted amendment filed 4/27/06. 37 C.F.R. 41.41 (a)(1)(2) prohibits inclusion of any new or non-admitted amendments in a reply brief. As Appellant's Representative has titled the claims appendix section a "Revised Appendix A", this appears to be intentional. As such, per the requirements of 37 C.F.R. 41.41(b), Appellant is hereby notified that this reply brief will not be considered, and the Appeals Brief filed 11/2/06, which is presumed to contain the claim appendix with the un-amended claim language, forwarded to the Appeals Board for action on the merits.
